Traffic Toll in Nation Reaches 164

The nation's traffic death toll for the Thanksgiving Day weekend reached 164 today.
Rain dampened highways in the Southwest, the Pacific Northwest and the Great Lakes region, and snow fell in scattered areas from the northern Rockies to the northern Great Lakes.

The count of traffic deaths began at 6 p.m., local time, Wednesday and will end at midnight Sunday.

Hickel Fired, Morton Named by President

LONDON (AP) — Republican National Chairman Rogers C. B. Morton declined to make any statement today on his nomination by President Nixon to succeed Walter Hickel, who was fired as secretary of the interior by the President Wednesday.
Morton arrived here Wednesday on Republican National Committee business, but later checked out of his London hotel and went into seclusion.
He conferred briefly with U.S. Ambassador Walter Annenberg today, and a U.S. Embassy spokesman said afterward that the secretary-designate did not intend to make any statement on any subject because his appointment has yet to be confirmed by the Senate.

the Pacific as he slurped another mouthful of pig fat, pumpkin mash and rice.
That was the concoction eaten by Joe McCain, 28-year-old son of Adm. John S. McCain Jr., and relatives of other American prisoners of war Thanksgiving Day. Young McCain, a former sailor, squatted inside a mock bamboo jail cell.

The group gathered in Pershing Square here to eat the prisoner food and call attention to U.S. servicemen held by the North Vietnamese. McCain's brother John has spent three Thanksgivings in North Vietnamese confinement.

McCain is a member of a San Diego-based group, Concern for Prisoners of War Inc., which has solicited letters from 10 million Americans to present to Hanoi's negotiators at the Paris peace talks. The letters ask for humane treatment of prisoners and the release of sick and wounded.

Indians Bury Plymouth Rock in Sand

PLYMOUTH, Mass. (AP) — Indians observing what they called a "national day of mourning" stormed a replica of the Mayflower Thanksgiving day and held a protest demonstration at nearby Plymouth Rock, which an Indian spokesman said was a "monument to a myth."

An estimated 150 Indians attended the protest meetings. About 25 climbed the rigging of Mayflower II, a replica of the ship that brought settlers to the shores of New England, and ripped down the vessel's 17th century colors.

They also threw overboard a replica of Capt. Christopher Jones, captain of the Mayflower.

Wednesday, November 25 at 9:00, leaving only 16.1 miles of I-30 incomplete. That section, from Hope to Prescott, is under construction and is scheduled for completion in 1972.

The Highway 51-to-Prescott section was opened to all traffic but had to be closed to trailer

trucks because of insufficient turning room in Prescott where traffic re-enters U.S. 67 when the Fulton-to-Hope section is opened, traffic will also be limited to passenger cars and light commercial vehicles (no tractor-trailer combinations, full or semi, nor heavy single unit trucks) because of insufficient clearance under the Frisco Railroad underpass on Highway 4 within the city limits of Hope. Heavy trucks will continue to use U.S. 67 between Fulton and Prescott.
Six prime contractors were involved in construction of the 7.6 mile section between Highway 51 and Prescott, which cost \$5,373,410 including rights of way. Five prime contractors built the section from Red River to Hope at a total cost (including rights of way) of \$10,374,428.

HELEN HELP US!

by Helen Bottel

REALITY WINS OVER ROMANCE, 15 to 1

Dear Readers:

Last month I asked you to play "advice columnist" on "Joan's" question: "Should I stay with a wonderful man I don't love (my husband) or go with my first and only love whom I left out of spite?"

You responded in countless numbers, and what might amaze elders is that you voted 15 to one AGAINST romance and in favor of reality, duty, parenthood, marriage vows, security—all those things we're told moderns forewear. Here's a sampling: Dear Helen:

I suggest that "Joan" count her marbles. Jimmy (her first love) did not show her any compassion when she asked for understanding after their first row. If he had any sense of honor, he would not try to destroy another man's marriage now. He appears to be the kind who only wants what someone else has—and if he was jealous of Ted's (the husband's) baby once, he'd always be. She might well find life with Jim extremely unpleasant, plus guilt-ridden.

Joan says she does not love Ted, yet she cares for him too much to hurt him. That's the beginning of love. She can have both romance and reality if she stays with a husband who "adores her," or she can grab for romance and end up with miserable reality, if she throws him on the scrap heap. —PAUL Dear Helen:

To Joan: Always go with the man who loves you! Treat him as though he were the most special person on earth and one day you'll wake up and wonder how you ever could have thought you didn't love HIM. Affection that grows with respect and consideration is far better than "body chemistry."

Basis for my advice? Fifteen years, five beautiful children, ONE husband who still loves me more than the other man ever could have, and—NO REGRETS!

Dear Helen:

Something I once heard might help Joan: "There is one person you wish you had gotten, BUT—another you thank God you didn't get! —DON'T GO!

Dear Helen: When you first love, there is nothing so marvelous, wild and deep. But as Joan says, "I care so much for Ted (another kind of love, I guess) that I can't hurt him."

Her love for Ted isn't reckless and pulsing. It is steady, warm and like a comfortable old robe. It's not a love she had to win, as with Jimmy, it's just THERE. I hope she soon realizes it. — VIRGINIA

Dear Helen:

Joan would be doing her husband a terrible injustice if she stayed with him. She would hurt him and their child, for you can't hide regret. The house would never be a home because her heart would be elsewhere.

As for "hurting" Ted—I'll bet he'd be re-married inside of a year. —VICTORIA

Dear Helen:

Seems to me that if Jimmy had really wanted Joan it wouldn't have taken him so long to make up his mind about marrying her. And if Joan didn't want and need Ted's kind of love, she wouldn't care if she hurt him or not, and would go back to Jimmy. So she has already got her decision. —S.K.F.

Dear Helen:

In my opinion, Joan would be better off without both of these men: She can't make Ted happy, not loving him, and Jimmy can't make HER happy because he loves only himself. She should make a single life for herself and the baby until she finds the right husband. —C.F.

Dear Helen:

I married a man who set me on fire (as Jim does Joan) but love burned out in less than a year. After untold fights and even beatings, came a divorce—then marriage to kind, dependable, wonderful Dave, who isn't electric sparks but a slow, steady current of affection. Wake up, Joan—you've got your man! —DONNA

Hope Star SPORTS

Local Boys, Girls Host Nashville

By BILL MOORE
Star Sports Writer

Tonight the Hope Bobcats and Ladycats host two tough Nashville teams, at Jones Field House with the girls game starting at 6:30 p.m.

Hope's Bobcats lost their first game Tuesday night to Ashdown and must face an expected tough Nashville five. The Bobcats have been practicing hard, trying to correct mistakes and strengthen their defense.

Offensively, the Bobcats played one of their soundest games since Coach Ross has been here, scoring 69 points with some accurate shooting.

Barely edging Ashdown in the last quarter, the Ladycats won their first game, in as many tries for a 1-0 record, even through some opening game nervousness.

Hope will have to face Nashville tonight, regarded by some as tougher than Ashdown, and it promises to be a very interesting game with some possibility of high scoring.

Rebounding and turnovers was the block between a higher Ladycat score Tuesday, but the team has been working hard to correct that and get more offensive punch.

Monday night the junior boys and girls travel to Nashville for their second games of the year. The Bobkittens have a 1-0 record and the Kittycats are 0-1, after a doubleheader last Monday at Ashdown.

Magnet Cove Winner in Overtime

FORREST CITY, Ark. (AP)—Quarterback Randy Crumby threw a 16-yard scoring pass to split end David Bryant to give Magnet Cove a 14-8 overtime victory over Luxora in the finals of the Class B high school playoffs.

The regulation game ended 8-8 and neither team was able to score in the first overtime period. Crumby's touchdown pass came three minutes deep into the second overtime.

Luxora took an 8-0 lead in the first period on a 20-yard interception return by Don Burns and a two-point conversion.

Magnet Cove tied the score when Crumby scored from the one with 8:05 left in the third after Magnet Cove blocked a Luxora punt. Billy Wilson circled end for the two-point conversion.

Jonesboro, Hot Springs in Title Go

HOT SPRINGS, Ark. (AP)—Hot Springs and Jonesboro will meet here tonight with several prizes on the line — a Class AAA title, an unbeaten season and a possible state championship.

Hot Springs is champion of AAA-West and Jonesboro is champion of AAA East. Jonesboro was ranked second in this week's poll and Hot Springs fourth, but top-ranked North Little Rock was upset by Little Rock Catholic Thursday.

Jonesboro's defense has keyed the Hurricane's success. Jonesboro has blanked nine of its 11 opponents. The only blemish on Jonesboro's 10-0-1 record is a scoreless tie with Jacksonville.

Jonesboro has beaten Batesville, Little Rock McClellan, North Little Rock, Little Rock Parkview, Forrest City, West Memphis, Marianna, Helena, Blytheville and Stuttgart.

Houston in Victory Over Fla. S.

By THE ASSOCIATED PRESS
The Eyes of Texas were riveted on Arkansas today but the hips, elbows and knees of Texas were a sorry sight for Darrell Royal.

"This is the most costly victory I can remember," the Texas coach said Thursday after a wave of injuries marred the No. 1 ranked Longhorns' 52-14 stampede over Texas A&M. "Right now it looks bad. With Arkansas coming up, I can't find very much to be happy about."

The victory over their traditional Thanksgiving Day rivals set up a Dec. 5 showdown between the Longhorns, 9-0, and fifth-ranked Arkansas, 9-1, for the Southwest Conference title and a Cotton Bowl date with Notre Dame.

But the outmanned Aggies exacted a heavy toll in defeat, leaving Texas fullback Steve Worster with a painful hip bruise, halfback Jim Bertelsen with a damaged elbow and half a dozen teammates with sprains, bruises and muscle pulls.

In the only other major college games on the holiday schedule, Houston ripped Florida State 53-21 despite an off-the-bench tackle by a Seminole substitute; Mississippi State ambushed 10th ranked Mississippi 19-14 and Villanova outscored Temple 31-26.

In a pair of college division super scraps, Virginia State whipped Johnson C. Smith 32-14 for the Central Intercollegiate Athletic Association title and Wofford shaded West Liberty, W. Va., 12-6 to earn a spot in the NAIA championship game on Dec. 12. Wofford will meet the winner of Saturday's Texas A&I-Platteville State, Wis., semifinal.

Texas, the nation's top ground-gaining machine, reeled off 386 rushing yards on the way to its 29th consecutive victory and quarterback Eddie Phillips tossed a pair of touchdown passes to Denny Lester, who was subbing for injured Cotton Spreyer.

Worster, fourth in the Heisman Trophy voting, suffered a bruised hip five minutes after the start of the game. "He can hardly walk now," Royal said. "He may not be ready for the Arkansas game. I haven't seen people with a hip this bad start back that fast."

Royal said Bertelsen has what "looks like a grapefruit inside his left elbow," and then ticked off a list of other casualties, including defensive ends Dave Arledge, knee, and Bill Ateiss, pulled hamstring, tackle Carl White, sprained ankle, and Dave Richardson, bruised shoulder, and kicker Happy Feller, knee. Phillips, who teamed with Lester for five completions covering 148 yards in the first half, didn't escape unscathed. The gifted quarterback twisted his left knee early in the game but stayed in until Royal rested his regulars.

Houston, 7-3, erased a 21-12 halftime deficit at Tampa, Fla., by erupting for 41 points after intermission. Elmo Wright, the Cougars' swift end, caught two scoring passes to set an all-time NCAA career mark of 34 touchdowns.

With the Cougars leading 39-21 in the final quarter, Nick Holm intercepted a Florida State pass and sped down the sideline with nothing but open field ahead. But Dan Whitehurst, a sophomore linebacker, bolted from the Seminoles' bench and tripped him up.

The illegal stop, akin to the celebrated Cotton Bowl incident in which Alabama's Tommy Lewis came off the bench to tackle Dicky Moegle of Rice, cost FSU a 15-yard penalty. Moegle had been awarded a touchdown in the 1954 Cotton Bowl.

"All of a sudden, there's this strange leg sticking out and all I could do was trip over it," Holm

secutively birdies starting on the 11th.

"Then I kind of came unglued," he said. "I got to thinking how many bogeys I could make and still stay under par." The number was two and that's what he got, missing the green on 18 and three-putting the fifth.

Veteran Bert Weaver shot a four-under-par 68 and took the 36-hole lead at 138 in the \$30,000 Sea Pines Open, a satellite event being played about a mile away.

"I got excited and pulled the same thing in high school," said the downcast Whitehurst.

"I felt like doing the same thing myself," said FSU Coach Bill Peterson.

Quarterback Joe Reed dove one yard for the winning touchdown, capping a 71-yard drive in the final period, as Mississippi State knocked off arch rival Ole Miss for its sixth victory in 11 games and first winning season in seven years.

The loss was the second in nine games for the Archie Manning-less Rebels, who take on Louisiana State in their Dec. 5 regular season finale before tackling Auburn in the Gator Bowl.

Drew Gordon tossed three touchdown passes to Mike Siani, as Villanova capped a 9-2 season by rallying to top Temple in the renewal of an old Philadelphia rivalry. It was the teams' first meeting in 27 years.

Dallas Wops Green Bay, Raiders Lose

By DICK COUCH

Associated Press Sports Writer
From Detroit to Dallas, Thanksgiving Day was a movable feast for the National Football League Landrys.

Greg Landry of Detroit pitched an NFL super passer for the second time in five days and Tom Landry of Dallas outfoxed Green Bay for the first time ever in Thursday's holiday attractions.

Detroit's Landry fired three touchdown passes as the Lions roared from behind to topple Darlyne Lamonica and the Oakland Raiders 28-14.

Dallas Coach Landry, no relation to the Lions' second-year quarterback, called offensive signals from the sideline as his Cowboys finally overcame a longstanding Green Bay hex and pounded the Packers 16-3.

The victories enhanced the Lions' and Cowboys' playoff hopes while endangering Oakland's perch atop the American Football Conference's Western Division and dropping the faded Pack below the .500 mark.

Kansas City's defending Super Bowl champs, now just one game off Oakland's pace in the AFC West, can tie for the lead with a victory over visiting San Diego Sunday.

Detroit is virtually out of reach of first place Minnesota in the National Conference's Central Division. But the Lions' 7-4 record keeps them in contention for the playoff spot which goes to the second place club with the best won-lost mark in the NFC.

Dallas, also 7-4, could contest Detroit for that post-season berth ... if the Cowboys are unable to overtake front-running St. Louis, 7-2-1, in the NFC Eastern Division race.

Minnesota puts a seven-game winning streak on the line at New York against the always-formidable Jets Sunday while St. Louis, which hasn't allowed a touchdown in four consecutive games, plays Philadelphia at home.

Elsewhere Sunday, Los Angeles is at San Francisco in a showdown for the NFC West lead; Cleveland risks its AFC Central edge at Pittsburgh; the New York Giants visit Washington, Chicago is at Baltimore, New Orleans at Cincinnati, Denver at Houston and Boston at Buffalo.

Atlanta entertains Miami Monday night, completing the NFL's 11th week of the season. The Lions spotted Lamonica two first-quarter touchdown passes to Fred Biletnikoff, then stopped the AFC's leading passer cold while Landry mounted an overwhelming counter-attack.

He hit Altie Taylor with a 12-yard scoring pass and flipped 20 yards to Charlie Sanders, who made a diving catch, for another touchdown to knot it at 14-all before the halftime break.

Then he tossed a six-yard go-ahead pass to Sanders, who made another acrobatic grab, in the final quarter before sending Mel Farr 11 yards on the ground for the wrap-up score.

Landry, who had eclipsed San Francisco's John Brodie, top passer in the NFC, with three TD passes in a 28-7 victory over the 49ers last Sunday, finished with 10 completions in 15 attempts for 104 yards and scrambled seven times for 77 more.

Lamonica was only 7-for-20 before giving way to 43-year-old George Blanda in the last quarter and, for the first time in a month, the miracle worker was unable to rescue the Raiders, 6-3-2 after the severance of a seven-game unbeaten string.

Dallas' Dooomsday Defense stymied the Packers after a first-quarter field goal and Mike Clark booted three field goals for the Cowboys before Charlie Waters' fourth-quarter interception set up the clinching touch-

down, a 13-yard end-around dash by Bob Hayes.

Green Bay beat the Cowboys seven times in as many meetings, twice in NFL title games, before Landry finally got back at them.

Dallas was all but counted out after a 38-0 loss to St. Louis 10 days earlier, but they bounced back to whip Washington 45-21 last Sunday before downing the Packers.

Horns' Coach Checking Injury List

By JACK KEEVER

Associated Press Writer
AUSTIN, Tex. (AP) Coach Darrell Royal of No. 1 Texas checked the Longhorns' casualty list, thought of Arkansas, and said, "I can't find very much to be happy about."

That's a sad note for a coach whose team has just won its 29th consecutive game, walloping traditional Southwest Conference rival Texas A&M 52-14 and advancing within one victory of its third straight trip to the Cotton Bowl.

But Royal was concerned Thursday because revenge-minded Arkansas, the No. 5 team in college football, clashes with the Longhorns here Dec. 5 for the host spot against Notre Dame in the Jan. 1 classic. And

the Longhorns are limping.

Royal read the battlefield injuries:

"Steve Worster has a badly bruised hip. The boy can hardly walk. Carl White sprained an ankle. Bill Ateiss repelled a hamstring (muscle)...David Richardson and Paul Robichau have pulled neck muscles. Eddie Phillips has a knee injury. Gary Keithley couldn't play and Tommy Woodard has a bad ankle. David Arledge has a bad knee and Happy Feller injured his right knee not his left knee, mind you, his right knee."

Worster, the All-American fullback, is the key to the Wishbone-T offense and his absence would rob the Longhorns of the inside power threat that opens up the rest of the offense.

He was ailing with a rib injury when he piled into the Aggie defensive front for 10 yards in two carries and had to leave the field.

"My hip hurts like heck," said the 210-pound senior whose 204 points are a Longhorn career scoring record.

Texas did not miss him against the Aggies, however, as Phillips tossed two touchdown passes to Danny Lester over the ganged-up A&M defense, and Phillips and halfback Jim Bertelsen pounded for two touch downs before the reserves mopped up in the last half.

Bertelsen injured his arm as the Aggies took a terrific toll in Texas manpower. Super receiver Charles "Cotton" Speyer and linebacker Randy Braband al-

ready had been lost with broken bones.

The Longhorns piled up 603 yards total offense, including 217 yards passing as Phillips connected with Lester, a transplanted defensive back, for five completions and 148 yards in the first half.

Texas' 52 points were higher than its nation-leading average of 39.8 points per game, and 386 yards rushing topped its 361.9 yard average, also the best in the country.

Seven Aggie fumbles including bobbles at the Texas six, 10 and 20, stymied A&M's offense. Sophomore quarterback Lex James compiled 172 yards on 10 of 20 pass completions and ran for another 77 yards, scoring once on an eight-yard scamper and flipping nine yards to Joey Herr for A&M's final touchdown against Texas subs with 48 seconds left in the game.

The other bright spots for A&M, which lost its ninth game in a row, were safety Dave Elmerdorf, who intercepted two passes and made 13 tackles—nine unassisted—and Jimmy Sheffield, who punted eight times for a 47-yard average.

"I am tickled to death with the victory—but it is the most costly victory I can remember," said Royal.

He is well aware that the Razorbacks, 9-1, are itching to make amends for their 15-14 loss to Texas last year, the next to last step in the Longhorns national championship season.

The Quail Kit

Quail shooters know that they've got to have a smooth swinging, reliable shotgun that practically points by itself. That's why they're turning to the light, effortless upland guns made by Winchester — the 1400 automatic and the smooth, fast-switching 1200 slide action. Both of these fine shotguns have lightweight, rust-proof aluminum receivers for a lifetime of trouble free use and both have an exclusive front locking bolt head that meshes steel bolt with steel barrel. They're both built by professional shooters — people who shoot and know what a shooter wants.

And for fine upland shot shells — there you have a happy choice, too.

Take all the power you'll need with either Western Xpert or Winchester Ranger low brass shot shells. The plastic Mark 5 collar protects pellets through the barrel to keep shot round for truer, denser patterns. The unique Sealed-Gas Chamber prevents blowby and patchy patterns. Team either of these fine loads with a 1200 or 1400. They work better together. You'll do better with them.

49ers, Chiefs Picked in Pro Play

NEW YORK (AP) — The National Football League spotlight focuses this Sunday on the two Western Division races with a showdown struggle between Los Angeles and San Francisco in the NFC and a key game between San Diego and Kansas City in the AFC.

In addition, Cleveland and Pittsburgh tangle in an AFC Central battle involving first place and NFC East leading St. Louis takes on a suddenly strengthened Philadelphia team.

But there's no doubt here about the winners—San Francisco, Kansas City, Cleveland and St. Louis. And here's a closer look at all of them (all games Sunday unless otherwise noted):

San Francisco 24, Los Angeles 17—John Brodie, 49ers' quarterback, will have to escape the Rams' Front Four, No. 1 in the NFC in sacking the passer, but he's got the weapons. Los Angeles' offense is spluttering, and both touchdowns in 17-7 victory over Atlanta were scored by defense.

Kansas City 27, San Diego 24—Chiefs' pass defense No. 1 in AFC should be able to cut down John Hadl's strikes to Gary Garrison and Lance Alworth while Ed Podolak runs through a Charger defensive line that the worst in the conference against the rush.

Cleveland 31, Pittsburgh 17—Bill Nelsen is back at quarterback for the Browns, and was impressive last week against Houston. Browns lead Central race at 5-5 to 4-6 for Steelers and Bengals, and need this head-on clash to prove supremacy.

St. Louis 34, Philadelphia 10—Eagles surprised Giants last Monday night and seem to be improving at this late stage. But, in the Cardinals, they face the No. 1 offensive team in the NFC. St. Louis also has not allowed a touchdown in four games.

New York Giants 35, Washington 17—Ron Johnson should find the Redskins' line easier to crack than the Eagles' and the Giants should be able to rebound and keep title hopes alive in NFC East. Washington playing without top receiver Charley Taylor.

Minnesota 24, New York Jets 21—The Vikings are 9-1, the Jets 3-7, but that's misleading. Jets No. 1 defensively, No. 3 offensively in AFC. The Vikings, however, are just too sound and quarterback Al Woodall probably will experience difficulty with Minnesota Front Four.

Baltimore 28, Chicago 14—Old Johnny Unitas needs something to celebrate his new contract with the Colts, and nothing pleases a football player more than a victory. Injury-riddled Bears now without quarterback Bobby Douglass.

Denver 34, Houston 17—Oilers

down to rookie runners because of injuries, and Broncos are No. 1 against the rush in AFC. Take away the rush and you take away the pass. That doesn't leave Houston much to work with.

Buffalo 27, Boston 10—Quarterback Dennis Shaw making strong bid for Rookie of Year honors with Bills and hitting Marlin Briscoe consistently. Patriots have been going nowhere, and will continue to do so.

Cincinnati 24, New Orleans 17—Bengals riding three-game winning streak on heroics of scrambling quarterback Virgil Carter, re-awakened running of Paul Robinson.

MONDAY... Miami 38, Atlanta 21—Bob Griese is clicking again for the Dolphins, who need this one to retain chance to catch Baltimore in AFC East.

Blackhawks Gave More Than Received

By THE ASSOCIATED PRESS
The Chicago Blackhawks spent Thanksgiving in Boston ... and wound up giving more than they got.

Boston scored three lightning goals in the first stanza, then held off Chicago's late comeback for a 3-2 National Hockey League victory over the Blackhawks Thursday night.

The Bruins, clinging to first place in the East Division, maintained a 3-0 lead on goals by Bobby Orr, John McKenzie and Johnny Bucyk, until the Hawks got hot.

Chicago, the West Division leaders, struck back within 12 seconds of the third period on goals by Dennis Hull and Cliff Koroll.

Catholic High Topples Top Rated NLR

By THE ASSOCIATED PRESS
Little Rock Catholic quarter-back Jimmy Doolittle ruined North Little Rock's dream of a state championship Thursday.

Doolittle, a 5-9, 155-pound senior, threw two touchdown passes to spark the sixth-ranked Rockets to a 21-16 upset of the top-ranked Wildcats.

In another traditional Thanksgiving Day battle, Alan Thompson scored four touchdowns as third-ranked Little Rock Hall whipped Little Rock Central 35-14.

Second-ranked Jonesboro meets fourth-ranked Hot Springs at Hot Springs tonight in the Class AAA playoff.

Doolittle completed 10 of 16 passes for 102 yards and rushed for an additional 59 yards on 11 carries. Doolittle's five-yard scoring pass to Hal McAfee late in the third quarter capped

HOPE (ARK.) STAR, Printed by Offset

a 90-yard drive and sliced a nine-point North Little Rock lead to 16-13.

Minutes later, Terry Blaylock intercepted a North Little Rock pass at the Wildcat 40 and returned it eight yards. Pat Campbell capped the short scoring drive with a four-yard run less than four minutes deep in the fourth quarter.

On the Rockets' next possession, Doolittle directed a drive that netted five first downs and consumed more than six minutes.

The Rockets' first touchdown came on an 11-yard pass from Doolittle to Matt Morrison.

North Little Rock had taken a 16-7 halftime lead on a 73-yard pass from Ricky Newth to Walter Swaim, a three-yard scoring run by Billy Burns and Cliff Furcron's 45-yard field goal.

Both the Rockets and the Wildcats finished the season with 10-2 records.

Thompson, a 185-pound senior, scored on runs of one, two, four and seven yards for the Warriors.

Rockets Find a Cannon in Pro Cage Play

By THE ASSOCIATED PRESS
While their big gun is doing battle in the courts, the Denver Rockets have found a Cannon for their own court battles.

Despite the loss of star Spencer Haywood, who is in a legal hassle over contract demands, the Rockets trimmed Pittsburgh 130-124 in an American Basketball Association game Thursday night behind Larry Cannon's 36 points.

It was the second straight, 36-point night for Cannon, acquired recently from the Floridians.

The contest was the only ABA game in a holiday-shortened schedule.

The Phoenix Suns beat the Seattle SuperSonics 126-115 in the only National Basketball Association game.

Denver had a 49-29 lead at 8:34 of the second period, but

Pittsburgh chipped away at the lead in the second half and narrowed the score to 117-115 with 4:53 left.

Then Don Sidle hit six straight points for the Rockets to put the game away.

Julius Keye added 33 points to Cannon's game-high total, and George Thompson had 29 for the Condors, who dropped their sixth straight home game.

Connie Hawkins scored 29 points to lead the Suns' gunners.

Phoenix dashed to an early lead, hitting 12 of its first 15 shots from the floor, but could never move far away from the Sonics.

The Suns wasted 12 and 16-point leads before Hawkins hit two key free throws to put the game on ice in the last two minutes.

Dick Van Arsdale added 25 for Phoenix. Lee Winfield led the losers with 19.

Here is another hand taken from Victor Mollo's book, "How Good Is Your Bridge?" We have filled in the East and West hands that are not shown in the book.

If you want to get the most enjoyment out of this article, just look at the North-South cards. Study how to play the hand after West starts by leading three rounds of diamonds, you trump the third and draw trumps with two leads.

There is no sure play but there is a best line. It consists of playing out the ace, king and jack of clubs. This gives up the chance of picking up the queen if West holds it but, if West holds the queen of clubs, your play turns out to be sure-fire. West will have to lead a spade up to your king-jack-six and you won't lose a spade trick.

Since this is a problem, it turns out that East wins the third club. He makes his best play, which is to lead a spade, and your correct play is the six-spot. If you look at the cards, you will see that West will have to play the queen in order to keep dummy's nine from winning the trick and your king and jack of spades will both be good.

Suppose that East held the spade queen and West the 10? The 10 would force dummy's ace and you would have to try the spade finesse. Suppose that West held both queen and 10 and East the club queen? Then you would be set, in spite of your best efforts.

Simple Daily Habits Promote Regularity

By LAWRENCE E. LAMB, M.D.

You can avoid the constipation problem by forming a regular bowel habit. This doesn't mean the bowels must move every day.

You should consume enough volume at breakfast to stimulate the normal reflex call to stool that follows eating. Then sit on the stool within an hour after your meal. Another meal can be chosen if it is more convenient. The meal needn't contain lots of calories. Two glasses of warm water help to fill the stomach. Two cups of a beverage may be enough to initiate the call for some people.

If you are already having the bowel problem, you can usually correct it. Of course, any significant hemorrhoids (piles) or local rectal problems should be corrected. Stop all laxatives of any type. You might as well choose breakfast as the meal to trigger your call to stool reflex. Eat a good breakfast containing bulk. This includes cereal, fruit, toast, fruit juice and other beverages. Immediately after breakfast, sit on the stool and read to distract attention from the bowels. Continue this practice daily.

Every three days, a small tap-water enema can be used—in the morning after sitting on the stool—if no movement has occurred. Some cases do require one to three tablespoons of mineral oil, taken at bedtime only. Do not use this unless necessary and discontinue as soon as possible.

It usually takes one to four weeks to establish normal bowel function. The morning ritual establishes a natural reflex action and the vicious cycle—laxative, constipation, laxative—can be broken.

In some cases, deep-seated emotional problems require additional attention, usually by a psychiatrist. An over-all effort should be made to increase the bulk in the diet. This means salads, vegetables, fruits and cereals. When physical inactivity is a factor, a simple exercise program like daily walking will help.

Avoid things that irritate the digestive tract, like to-

bacco, alcohol, coffee and highly seasoned foods. Mexican food is an example. Highly seasoned Mexican food irritates the entire digestive tract from mouth to rectum, sometimes called "Mexican heartburn."

The sudden onset of failure of the bowels to move requires immediate medical attention. But most constipation problems relate to poor diet, bad habits, inactivity, injudicious use of laxatives, enemas and failure to train the bowel. By following the simple procedure I have outlined, most people can avoid becoming "a bowel problem."

WORLD ALMANAC FACTS

The World Almanac notes that Abraham Lincoln, speaking at a Republican State Convention in 1858, exclaimed: "A house divided against itself cannot stand." He added: "I believe this government cannot endure permanently half slave and half free. I do not expect the Union to be dissolved—I do not expect the house to fall—but I do expect it will cease to be divided."

WINTER LOOK from Paris
In two mink dome-shaped hats. Top one has matching white leather visor over the face for ski wear with square-lensed fill-in and neck scarf. Bottom hat has two black mink circles around eye slits and black leather top.

The first order of business of his tenure as chairman will be to try to strengthen the grassroots party organization, attempt to bring into the GOP more independent voters and improve the party's financial base, he said.
"I'm optimistic that we can come back and come back quickly," Bernard said.
Bernard was named party chairman Saturday by the State Committee, which chose him over the Rockefeller-backed candidate, William T. Kelly of Little Rock, and a former Rockefeller aide, Everett A. Ham Jr. of North Little Rock.
Bernard won the position handsily, but there are those in the party who have reservations about him.
As a wealthy planter and cotton ginner from the delta of East Arkansas, the 43-year-old Bernard inspires an image among his GOP detractors, as one put it, of a "Southern gentleman" drinking mint juleps on the veranda. It is an image that makes Bernard's Republican opponents wince, but Bernard says that it is an erroneous one.

Suspected by his detractors of a conservatism that they fear would alienate Negroes and youths, Bernard insists that he is a moderate and well within the embrace of the philosophy that Rockefeller has brought to the state GOP.
He said in accepting the chairmanship that a state party "aligned with the philosophy of Win Rockefeller and Richard Nixon" was in the mainstream of Arkansas thought. It should involve all persons, regardless, he said.
Rockefeller made apparent acknowledgment of the fears about Bernard when he cautioned the Republican party against deviating from its "present philosophic direction." The governor told the State Committee that the GOP should not become just another Republican party in just another Southern state.
There have been recurring reports since 1968, when Bernard ran against Sen. J. W. Fulbright, that Rockefeller and Bernard have been cool to each other, but Bernard says there is nothing to the rumors. He calls Rockefeller "Mr. Republican" in Arkansas and says that he intends to work closely with the governor, who is the Republican national committeeman for the state, in building the party.
Bernard says he expects Rockefeller to play a "dominant part" in developing the GOP.
Bernard gained his first political experience as a Democratic member of the Earle City Council. He was defeated in his bid for a third term by a quiet write-in campaign, he says, but he avenged that loss by winning back his position later.
He did not become a Republican until early 1966, and later that year he was named chairman of the Crittenden County GOP Committee.
Bernard has been regarded as a possible candidate in the future for governor the U. S. Senate, but he says he has no political plans now. He said he would not have run for chairman if he had planned to seek public office in 1972.
He said that during Bumpers' Democratic administration the GOP would not "harass for the sake of harassment or be political for the sake of being political."

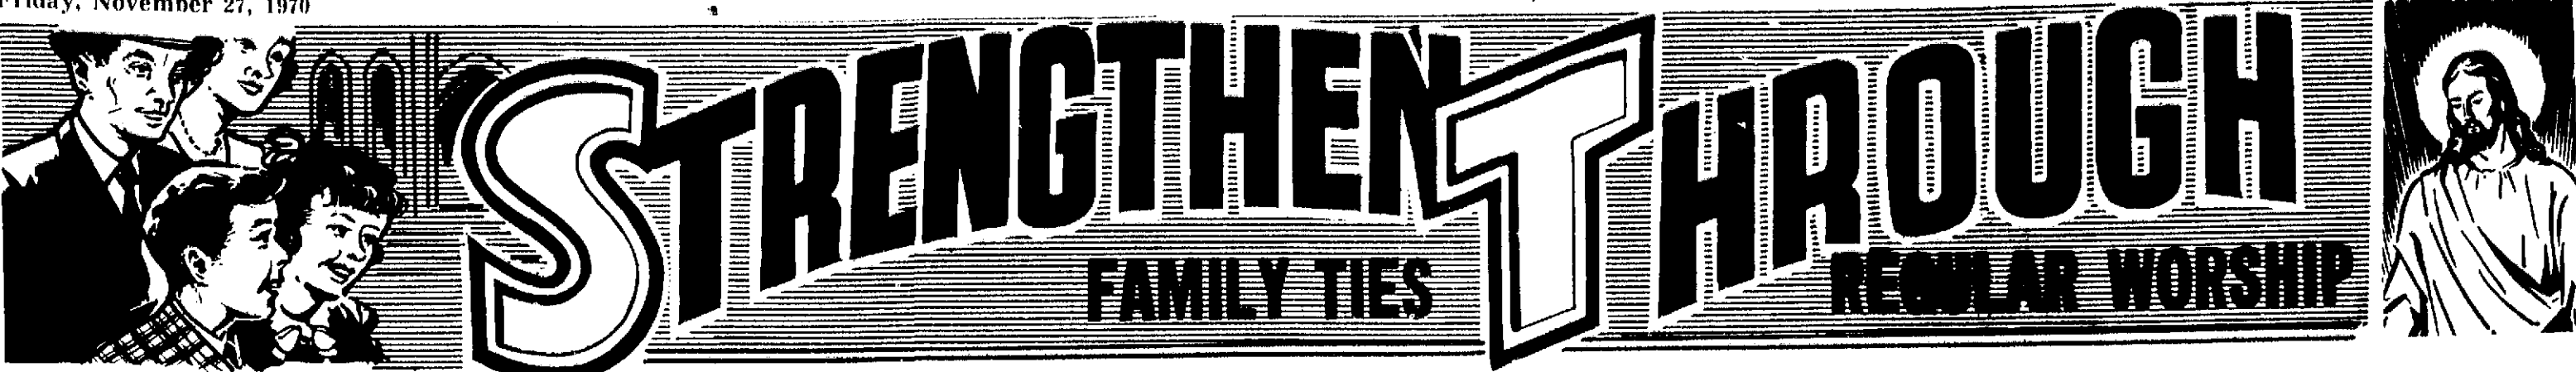

Must Rebuild County Level, GOPs Told

By ROBERT SHAW
Associated Press Writer

LITTLE ROCK (AP) — To get back on its feet after its losses in the general election, the state Republican party must build "dynamic leadership" at the county level, says new Chairman Charles T. Bernard of Earle.
"We've been to the top and we haven't had the foundation to stay there," Bernard said in an interview.
His reference to the "top" was to the administration of Gov. Winthrop Rockefeller, who lost to Dale Bumpers in a bid for a third term as the state's first GOP governor. Bernard said he felt the race would have been a "lot closer" if the Republican organization had been strong in all 75 counties.
Bernard said that although there is a number of strong county GOP organizations, Rockefeller had won in the past because of his "image" and because "he could adequately finance" his campaigns. To win in the future, he said, the Republicans must demonstrate more muscle at the grassroots level.
That means, Bernard said, that the GOP must begin to contest local races across the state as well as compete for

On the ceiling of Sistine Chapel, Michelangelo brings to life some of the most spectacular Old Testament depictions. In one panel portraying the Creation, he shows God reaching out His powerful right hand to Adam, thereby sending out that necessary spark of life which began the history of man. In this familiar scene, the figure of God emanates such power and force that it seems to dominate the rest of the picture. It even diminishes the agony and passion of Adam, the embodiment of longing, searching and lost mankind. Yes, if we were to examine the picture more fully, we would see that not only is God reaching out to Adam, but Adam is also reaching out to touch God. He is virtually straining every fiber in his body to affect this two-way interchange. Michelangelo said it all with the deft strokes of his brush. All too often we are aware that the huge, powerful, healing hand of God, is reaching out to us without realizing that His hand won't reach all the way. Just like Adam, we must reach out in return. God's open hand is waiting --- where is yours?

Constitution Studied by Bumpers

By ROBERT SHAW
Associated Press Writer

LITTLE ROCK (AP) — State Rep. Calvin R. Ledbetter Jr. of Little Rock, working with Gov.-elect Dale Bumpers is exploring possible constitutional amendments the legislature might offer the electorate in 1972.

Ledbetter said that at the moment he is considering the possibility of recommending that the legislature submit as constitutional amendments two sections of the proposed constitution that was defeated in the general election.

One is the section of suffrage and elections and the other is the legislative article, but Ledbetter said he had reached no decision on whether he would recommend them.

The legislature may submit up to three constitutional amendments at any general election.

Ledbetter, chairman of the political science department at the University of Arkansas at Little Rock, said his thoughts were tentative because he had not yet had a chance to talk with many of the leaders of the campaign to win adoption of the proposed charter.

There have been suggestions that the proposed constitution be reoffered in the 1972 as an amendment to the current 1874 document. Ledbetter said there might be some legal problems involved in doing this, but he said the idea merited exploring. He also said it might be possible that the legislature could constitute itself as a constitutional convention, modify the proposed charter submitted in the past general election and offer it in 1972.

NYC Benefits Hempstead by \$336,000

Young people in Hempstead County who might otherwise have been high school dropouts have earned \$336,000.00 from part time employment with the Neighborhood Youth Corps since the program was first sponsored by Arkansas Farmers Union in 1965. NYC enrollees are employed during the school year mostly with the schools they are attending. They work regular hours at various work assignments ranging from clerical assistants and library aides to lunchroom and maintenance assistants. The program is designed to help the young people stay in school and to prepare them better for future employment. Most of them are presently working 10 hours per week at minimum wage rates.

In the summer enrollees may work as many as 26 hours per week. Their work assignments are even broader than. They may work at the schools or with other local non-profit agencies which contribute to the general welfare of the community. Typical summer jobs include aides in local government offices, hospitals, highway beautification, conservation, beautification projects, recreation areas, etc.

Hempstead County also has been provided employment for youth ages 16-21 who had already dropped out of school. These enrollee-trainees may earn wages for up to 32 hours per week in similar work assignments. They must also participate in some type of educational program to remain with NYC. According to Lewis J. Johnson, President, Arkansas Farmers Union, NYC has expended over \$12,000,000 of federal funds in Arkansas for wages of approximately 36,000 young people. The program is administered by contract of Farmers Union with the U. S. Department of Labor. It employs only youth from low income homes and offers equal opportunity to all races.

The purpose of Neighborhood Youth Corps has been stated informally by Lynn McCalman, AFU-NYC director as "an attempt to help disadvantaged young people toward a happier life by enhancing their opportunity for education and meaningful employment."

Economy Uptick Signs Neither Definite nor Clear as Year Ends

Auto Sales Down by Million Cars

DETROIT (AP) — U.S. auto sales this year are down some one million cars below the totals at the same point in 1969.

The figures issued by the major manufacturers this week indicate that up to Nov. 20 new car sales stood at 6,575,343 compared to 7,621,917 at the same time last year.

The Big Three automakers—Ford Motor Co., General Motors Corp. and Chrysler Corp.—all reported declines in sales. Only fourth place American Motors Corp. reported a gain.

Lee A. Iacocca, president of Ford's North American operations, said: "The climate of the auto industry is bad because of the GM strike and reflects on all of us."

Imported car sales, on the other hand, were reported well ahead of their 1969 levels. A record setting 903,143 imports were reported sold thus far compared to the previous high of 753,647 sold at this point last year.

Volkswagen again dominated the import field with 430,340 cars sold so far in 1970, contrasted with 368,715 for 1969.

Cold Front May End the Warm Weather

By THE ASSOCIATED PRESS
A cold front pushing into the state from the northwest will end the unseasonable warm temperatures in Arkansas.

Warm gulf air brought temperatures around the state Thursday and today to an almost record-breaking high for this time of year.

Accompanying the cold front will be showers and thunderstorms which will begin to-night and move through the state Saturday. Near or below freezing conditions are expected by Monday.

The highs Thursday ranged from 75 at Fort Smith and Texarkana to 86 at Jonesboro and Memphis.

Wichita State Fund of \$76,565, to Be Hiked by Stars on TV Show

WICHITA, Kan. (AP) — A Wichita State University fund drive to ease the effects of a tragic plane crash will be highlighted by a star-studded campus television show Saturday night.

Gate receipts from the "Night of Stars" at the university's Henry Levitt arena are expected to hit \$175,000. The money will be earmarked for the education of the 29 children and support of other dependent survivors of 31 persons killed in the Oct. 2 crash, including 14 of the school's football players.

Donations resulting from appeals during the program to be carried on 180 stations will be shared with Marshall University at Huntington, W.Va., which suffered a similar air tragedy Nov. 14. The West Virginia crash killed 75, including 38 football players.

Among the stars who are donating their services for the TV show are Bill Cosby, Kate Smith, Minnie Pearl, Phil Ford, Mimi Hines, George Gobel, Tiny Tim, Marilyn Maye and Gordon Jenkins.

Wichita State's share of the donations will go to the Football '70 Memorial Fund, which already has received \$76,565.

R. D. Calvert, director of school fund-raising, said these funds will go to meet "human needs involved in the tragedy." "Among those needs were flying parents of football players to Denver, where their sons' bodies were taken and where

WASHINGTON (AP) — "The economic experts, with whom I have been meeting quite regularly here, indicate that the last half of the year will definitely see the economy turning up."

That was President Nixon speaking, at a July 20 news conference.

"Our year-end report and our congressional testimony gave the clear indication of a picking up in the rate of expansion in the second half of the year. I think that's still a good bet."

That was Paul W. McCracken, chairman of the President's Council of Economic Advisers, in an April 16 interview.

Since early in the year, the Nixon administration almost daily has come out with optimistic forecasts of an economic upturn in the last part of this year or as is fashionable—an "economic uptick."

The end of the year is nearly at hand, and signs of the "uptick" are neither clear nor definite. In fact, some economists indicate, the opposite may be true.

Industrial production, one of the broadest indicators of the nation's economic pace, dropped by a stunning 2.7 per cent in October, steepening decline in 11 years. It was the third straight monthly decline in the indicator of industrial activity.

The gross national product, broadest measure of the nation's output in terms of goods and services, rose 1.4 per cent in the third quarter. It was modest growth, not as much as the administration had expected.

Then, the consumer price index in October took its sharpest upward turn in six months, showing a rate of inflation in excess of 6 per cent.

Despite the string of recent bad economic news, the administration still is sticking to its guns of predicting an "uptick."

Treasury Secretary David M. Kennedy said in a speech in New York Monday: "After marking time during the fourth quarter of last year and the first quarter of this year, the economy began to turn around in the second quarter of 1970 and continued upward at a more substantial rate in the third quarter."

those who survived were hospitalized," he said.

"The fund is also used to defray expenses of returning the parents to Wichita and on to their respective homes, and for the bodies of those who died to be flown to burial sites."

Sponsors of the telecast of the Wichita State-Louisville football game Saturday have guaranteed another \$20,000 for the fund. It will be broadcast over five stations in four midwestern states.

More money is coming in from a waste paper collection drive.

A beer distributor has pledged 50 cents for every case of beer he sells from Nov. 19 through Dec. 18, with a guarantee of \$7,000.

Two restaurants will ante up their profits for Saturday.

A 50-hour nonstop basketball game will be played by student teams Dec. 4 and 5 with a promise by Wichita businessmen of \$1 for every point scored.

A third fund, called the Wichita Fund, was conceived by Perry Moore, athletic director at Colorado State University, to replace athletic equipment destroyed in the crash and reimburse Wichita for gate receipts lost by cancellation of football games.

The National Collegiate Athletic Association kicked off the Wichita Fund campaign with a \$5,000 check and the total has reached \$56,085.62.

New Middle East Ceasefire Plan Offered

By THE ASSOCIATED PRESS
Israeli Defense Minister Moshe Dayan has outlined a new plan for a Middle East cease-fire, and Western sources in London have reported moves to get peace talks going again before the end of the year.

Dayan said in a state television interview in Tel Aviv Thursday that he favored thinning out forces on each side of the Suez Canal to create a more relaxed atmosphere for negotiations.

He said it would be easier for Egypt and Israel "if they both want to get ahead with peace talks" to operate with the knowledge that neither side is planning or is in a position to attack the other.

He gave no details, saying these would have to be negotiated with the Egyptians.

Dayan stressed that his proposal does not call for withdrawal—as some of his critics charge—but for "a new cease-fire agreement."

The minister said the U.S.-sponsored truce that went into effect last August was broken by Egypt's missile buildup in the canal zone, and that since chances of a missile rollback were small, a new agreement was needed so that Israel could resume talks under U.N. peace envoy Gunnar V. Jarring. The negotiations have been dormant since September.

FBI Uncovers Plot Against Washington

By JOHN CHADWICK
Associated Press Writer

WASHINGTON (AP) — An East Coast anarchist group led by two imprisoned Roman Catholic priests plotted to blow up underground power lines of the nation's capital and to kidnap a high federal official, FBI Director J. Edgar Hoover disclosed today.

The purpose, Hoover told a Senate Appropriations subcommittee, is to "disrupt federal government operations" and to use the kidnapping as a lever to demand an end to U.S. bombing operations in Southeast Asia and the release of all political prisoners.

The principal leaders of the plot, Hoover said, "are Philip and Daniel Berrigan, Catholic priests who currently are incarcerated in the Federal Correctional Institution at Danbury, Conn., for their participation in destruction of Selective Service records in Baltimore, Md., in 1968."

Hoover said a White House staff member's name had been mentioned as possible victim of the kidnapping plot.

Hoover cited the alleged plot of the anarchist group as an example of the increased willingness among extremists groups "to employ any type of terrorist tactics."

He said the group is known as the "East Coast Conspiracy to Save Lives" and has described itself as being composed of Catholic priests and nuns, teachers and former students "who have manifested opposition to the war in Vietnam by acts of violence against government agencies and private corporations engaged in work relating to U.S. participation in the Vietnam conflict."

Fighting Is Heavy on Three Fronts

SAIGON (AP) — North Vietnamese forces battered a South Vietnamese command post on the Cambodian border, made fresh gains north of Phnom Penh and battled government forces 23 miles southeast of Saigon, military spokesmen reported today.

While heavy fighting flared on the three fronts, U.S. forces in Vietnam saw little action since they are mostly in a defensive posture. The U.S. Command said field reports indicated there were no Americans killed in action Thursday for the second successive day.

In a pre-dawn attack Thursday, North Vietnamese forces moving behind a heavy mortar barrage blasted the headquarters of the South Vietnamese 52nd Task Force just inside Cambodia, triggering the heaviest border fighting in three weeks.

After the night-long battle near the town of Krok, about 85 miles northwest of Saigon, 10 South Vietnamese soldiers and 48 North Vietnamese troops were reported dead. Twenty South Vietnamese troops were wounded.

The South Vietnamese task force, made up of infantry and armored cavalry elements of the 18th Division, has been poised along Highway 7 to block North Vietnamese infiltration southward along the Saigon River corridor.

Meanwhile, other South Vietnamese forces fought North Vietnamese and Viet Cong troops 23 miles southeast of Saigon and claimed killing 33 of the enemy with the help of helicopter gunships. Despite the loss of 33 enemy killed, only six rifles and a quantity of equipment were reported captured. The only South Vietnamese casualty reported was one man wounded.

In Cambodia, North Vietnamese and Viet Cong forces renewed their thrust southward toward Phnom Penh today, shattering much of the capital's defense network and isolating huge portions of the government's army.

Highway Deaths on Holiday Now at Three

By THE ASSOCIATED PRESS

One person was killed and two others injured in a two-car collision on U.S. 63 south of Jonesboro Thursday night bringing the total to three of the number killed on Arkansas highways this long Thanksgiving holiday weekend.

State Police identified the victim as Hugh Douglas Street of Jonesboro. Officials said his car crossed the center line and struck a car head-on driven by Ronald Skaggs, 31, of near Bay (Craighead County).

Skaggs and a passenger in his car, Jerry W. Ferguson, 14, of Bay were injured.

Other persons killed so far have been Robert L. Doyle, 73, of Strawberry (Lawrence County) and Mary Jo Kimbrell, 19, of Mayflower (Faulkner County).

Officers said Doyle was struck and killed Thursday while walking along Arkansas 117 about one-half mile north of Strawberry. Authorities said Doyle was struck by a car driven by Robert Lewallen, 28, of Smithville (Lawrence County).

Miss Kimbrell died Thursday in a Little Rock hospital of injuries she received late Wednesday in a one-car accident in Conway.

Attitudes Differ on Prisoners; Viet Cong Never Mentions Theirs

SAIGON (AP) — Last week's attempt to free U.S. prisoners from North Vietnam points up a sharp contrast in attitudes: while Washington is obviously concerned over the well-being of some 450 captured Americans, Hanoi has yet to say a word about the nearly 37,000 North Vietnamese and Viet Cong troops being held in South Vietnam.

Military officials say 28,166 Viet Cong and 8,335 North Vietnamese regulars are held in six South Vietnamese prisoner of war camps. Also held are several hundred "regroupees," or South Vietnamese who joined the Communist side.

U.S. peace negotiators in Paris frequently protest the conditions under which American prisoners are held in North Vietnam, but the North Vietnamese and Viet Cong delegates have never mentioned their own troops being held in the south.

One reason for their silence is the fact that North Vietnam does not officially acknowledge that it has any troops in the south. But U.S. officials interpret the silence, along with North Vietnam's refusal to negotiate a prisoner exchange, as meaning Hanoi does not want its captured soldiers back.

The officials point out that Hanoi has been reluctant so far even to accept North Vietnamese soldiers released unilaterally by the South Vietnamese.

The Saigon government has freed a total of 165 sick and disabled enemy troops in five groups. The last group, 62 prisoners, was released at sea off North Vietnam on July 11.

International Red Cross teams visit each POW center every three months. The teams file reports to the Red Cross headquarters in Geneva, which in turn submits recommendations to the Saigon government with a copy to the U.S. State Department.

U.S. forces hold no prisoners. Any enemy soldier captured by Americans is turned over to the South Vietnamese.

U.S. military officials say the last two Red Cross reports—one filed in June and one in October—were somewhat critical of conditions in South Vietnam's POW camps.

But American officials insisted that the camps are generally well run and noted that U.S. advisory teams are permanently stationed at each because of America's "moral responsibility."

The June report complained that each prisoner did not have a personal towel or was missing some article of his uniform. The October report listed a variety of minor prisoner complaints.

Most of the grievances were shrugged off by a U.S. official, who commented: "After all, they are prisoners." The officer added that most of the prisoners are docile and relatively satisfied.

Pope Attacked in Philippines But Not Hurt

MANILA (AP) — Pope Paul VI, undaunted by a Bolivian painter's attempt to stab him, carried off his program in Manila today as if nothing had happened.

Civic authorities said a million Filipinos thronged the streets to watch the Pope drive to Manila Cathedral, where he held a mass.

Later, the Pope received foreign diplomats at the nunciary where he is staying, and had dinner with President Ferdinand E. Marcos.

Police said the painter, in priest's robes, carried a foot-long knife hidden under a golden crucifix when he approached the Pope.

The 73-year-old pontiff, on the third stop of an eight-nation tour of Asia and the Pacific, had just stepped off his chartered jetliner in Manila Friday when a man in clerical garb lunged out of a crowd of 3,000 and tried to stab the pontiff with a long curved knife he had concealed beneath a golden crucifix.

Police and dignitaries around the Pope stopped the man and threw him to the ground. The assailant managed to hit the pontiff on the chest as the knife went astray, but the Pope was not hurt. The attacker was bleeding from the head as police carried him away.

Officers identified the attacker as Benjamin Mendoza y Amor, 35, a surrealist painter from La Paz, Bolivia. They said he was a "religious fanatic."

Vatican officials traveling with the Pope issued a statement today that said: "It has been found without any doubt that a certain man, Benjamin Mendoza y Amor, of Bolivian nationality, dressed in clerical attire, approached the person of His Holiness with marked violence."

"Showing a crucifix in his hand, when he was near His Holiness, he pulled out a dagger and attempted to stab His Holiness. But he was immediately stopped by the security men surrounding the Pope."

"The Holy Father was not aware of what was going on, and he continued to greet the rest of the guests with a smile."

Stephen Cardinal Kim of South Korea, who was at the Pope's elbow during the attack, came away with blood smeared on his white cassock. He said later that he had not been cut by the attacker's knife and had no idea how the blood got there. Eyewitnesses said the bloodstains might have come from the wounds inflicted on the attacker by police.

The Pope had just been greeted by Philippine President Ferdinand E. Marcos and was walking a red carpet toward a dignitary who had knelt to kiss his ring when the attacker lunged.

There were conflicting reports over who stopped the attack. Marcos' chief security officer, Col. Fabian Ver, said Marcos "parried the man" and pushed him back, where security police pounced on him.

Bishop Juan Velasco, in charge of press relations for the Manila archdiocese, who was about four feet away, disagreed. He said a missionary, Msgr. Anthony Galvin of Borneo, Malaysia, blocked the attacker and hurled him to the ground.
